Mats for lead walls

MODULAR RANGE

OUR MODULAR OFFERING FOR LEAD WALL MATS

At EP, we design custom matting surface to ensure safety and comfort with every fall. Modular mats for lead climbing walls are precisely cut to match the shape of your wall. By default, they are covered with durable PVC, suitable for both indoor and outdoor use. For a more aesthetic and comfortable finish, a carpet option is available — recommended for indoor use only.

MAINTENANCE & SPARE PARTS

Spare parts are available, and EP teams can intervene to repair your matting surfaces.

- Individual components like carpet, tarps, and connection strips are available separately.
- Annual inspection included with wall maintenance (compliance with NF P90-312).

CUSTOMISATION OPTIONS

Cover color assembly: The assembly can be customized to match your brand colors or the ambiance of your gym.

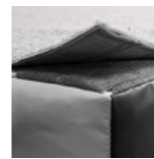

Logo: Customize the mat with your brand's colors and logo.

Handles: Allow easy movement of mats to free up space for other activities.

Lifting strap: Optimize your space by folding the mats against the wall.

Carpet: For a premium look and added comfort.
