

Bouldering mats

PREMIUM RANGE

OUR PREMIUM OFFER FOR BOULDERING MATS

Safety is the cornerstone of climbing, and our new premium bouldering mats are engineered to deliver exceptional protection without compromising on comfort or aesthetics. Designed and manufactured in France, each mat is custom-cut to perfectly fit your climbing space, ensuring seamless integration and top-tier performance.

Crafted with advanced materials and attention to detail, our premium mats meet the highest standards of durability, safety, and style. Whether you're outfitting a new gym or upgrading your current setup, these mats offer long-lasting impact absorption and a professional finish suitable for all levels of climbers.

KEY BENEFITS OF OUR PREMIUM MATS

Compact and sturdy – ideal for areas with low ceilings

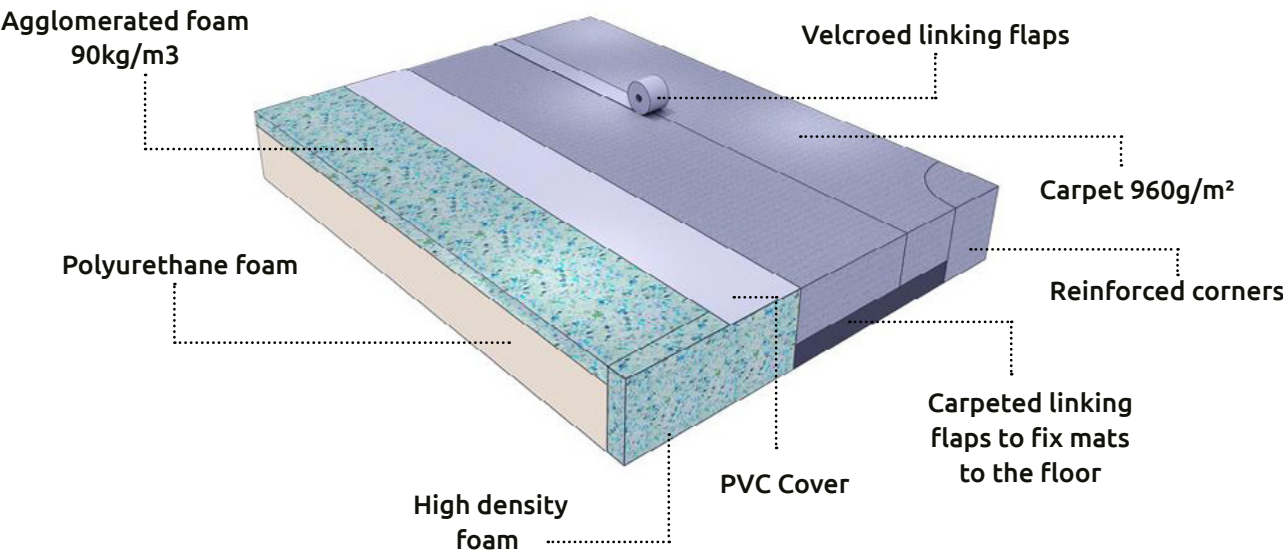

MAT 40CM

Proven performance – a favorite for its extra cushioning and endurance

TECHNICAL SPECIFICATIONS

COMPOSITION

MATERIALS & INSTALLATION

- Standard colour: Grey (other colors available on request).
- High-density foam that maintains its shape over time, even with heavy use.
- Reinforced corners for extended lifespan.
- Mats are securely fixed to wall and floor to prevent shifting.
- **Optional:** EP Bench (see dedicated brochure for details).

MAINTENANCE & SPARE PARTS

We provide a full selection of spare parts to keep your mats in peak condition:

- Carpet, Foam, and Linking Flaps available individually.
- Annual inspection included with wall safety checks (EN12572 compliant).

LOOKING FOR FLEXIBILITY?

Explore our **Modular Range** – designed for spaces that evolve. Ideal for modular gyms or areas that require reconfiguration over time.
